**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition because my Comcast bills kept increasing.

I m 70 yrs old and am still working to support myself.

I cannot afford the increases every year.

I say NO to price hikes that will increase the cost of internet and telephone services.

I do not have a TV so my expenses are lower. My telephone
Is connected to my broadbandnd carrier my bill is consistently lower.

At my age I must save as much as I can for retirement.
